Marshall solid rocket test set

Engineers plan to test a 24-inch Solid Rocket Test Motor at 3 p.m. Thursday. The test will occur at Test Stand 500 in the East Test Area. Objectives of the test are to evaluate the performance of a longer exit cone, show good performance with a two-piece throat design and verify ballistic performance of the motor. The motor is a candidate replacement for the Shuttle Reusable Solid Rocket Motor nozzle. For more information, call Jack Phelps at 544-3851.

Thrift Savings Plan closing

Wednesday is the last day for Marshall employees to change contributions to their Thrift Savings Plan accounts or begin contributions to new accounts. There are five different funds for employees to choose from. For more information, call Ginger Martin at 544-5654 or Debbie Allen at 544-7536.
